

MAMMALS seen in UGANDA 17/2 – 10/3 2001

Tour arranged by Stefan Lagerblad, Falkenberg, Sweden,
in co-operation with Accessuganda; Hassan Mutebi, Uganda

Report compiler Stefan Lithner, Karlshamn, Sweden

Genera in order according to J. Kingdon: The Kingdon Field Guide to African Mammals 2001.
Species within genera in alphabetic order. Taxa treated according to Duff, Lawson Mammals of the
World A Checklist 2004.

Chimpanze	<i>Pan troglodytes</i>	Seen 19 and 21/2 and heard 20/2 in Budongo Forest, and heard in Bwindi N.P. 2-4/3,
Mountain Gorilla	<i>Gorilla beringei</i>	The group participated in a tracking in Bwindi Impenetrable Forest N.P. 1/3. After about four hours of tracking the group of animals, Mubare was located. The group consisted of 13 animals including one magnificent silverback, Ruhondeza (which means oversleeping) about 30 years old. The total population of Gorillas in Uganda consists of 349 in Bwindi and 11 in Mgahinga.
Guereza Colobus	<i>Colobus guereza</i>	Budongo 19/2, 20/2, Escarpment 24/2, Bwindi Impenetrable Forest N.P: 27/2
Olive Baboon	<i>Papio anubis</i>	Budongo 19-21/2, Queen Elisabeth N. P. 22/2- 25/2, Mabira 6/3
Grey-cheeked Mangabey	<i>Lophocebus albigena</i>	Budongo 19-21/2, Bwindi Impenetrable Forest N.P:28/2 and 1/3 Mabira 8/3
Vervet Monkey	<i>Chlorocebus pygerythrus</i>	e.g. Kabalega Falls N.P. 23/2, Queen Elisabeth 26/2
L'Hoest's Monkey	<i>Cercopithecus lhoesti</i>	Bwindi Impenetrable Forest N.P:28/2
Red-tailed Monkey	<i>Cercopithecus (cephus) ascanius</i>	Budongo 19-20/2, Bwindi Impenetrable Forest N.P:27/2, 28/2, 1/3
Gentle Monkey (Blue Monkey)	<i>Cercopithecus (niticans) mitis</i>	Budongo 19-20/2, Bwindi Impenetrable Forest N.P:1-3/3

Senegal Galago	<i>Galago senegalensis</i>	Budongo 20/2
Straw-coloured Fruit-bat	<i>Eidolon helvum</i>	Kampala 8-9/3. About an hour after sunset 22/2 a large flock of Fruit Bats left the caves at Kabalega Falls. This flock is said to contain three species of Frut Bats of different size: This, the following and one not known to us.
Yellow-winged Bat	<i>Lavia frons</i>	Budongo 19/2, Queen Elisabeth 25/2
African Rabbit (Uganda Grass-hare)	<i>Poelagus majorita</i>	Kabalega Falls N.P. 22/2
Carruthers Mountain-squirrel	<i>Funisciurus carruthersi</i>	Rhuiza (Bwindi) 3/3, 4/3
Alexander's Dwarf-Squirrel	<i>Paraxerus alexandri</i>	Budongo 20/2
Red-legged Sun-squirrel	<i>Heliosciurus rufobrachium</i>	Bwindi Inpenetrable Forest N.P.:1/3, Mabira 8/3
Savannah Cane Rat	<i>Thryonomys gregorianus</i>	Queen Elsiabeth N. P. 23/2 One animal crossing the road in dry Savanna habitat.
Side-striped Jackal	<i>Canis adustus</i>	Mburu 5/3 A grey Canis with white tip of tail was seen briefly. The <i>C. adustus</i> is the only species of generae <i>Canis</i> and <i>Vulpes</i> present in the area. <i>C. adustus</i> is a regular visitor to the park.
African Clawless Otter	<i>Aonyx capensis</i>	Mabamba 19/2 1ex, Nile Wells 8/3 5 ex..
Slender Mongoose	<i>Herpestes sanguinea</i>	Kabalega Falls N. P. 23/2.
Leopard	<i>Panthera pardus</i>	Kabalega Falls N.P. 22/2 after dark, along the road from the falls
Western Tree Hyrax	<i>Dendrohyrax dorsalis</i>	Budongo 18-20/2 heard every night. <i>D. dorsalis</i> is the only <i>Dendrohyrax</i> to this part of Uganda.
African Bush Elephant	<i>Loxodonta a. africana</i>	Kabalega Falls N.P. 23/2 one single male on his own, and a family of about 15 animals including at least three babies. Queen Elisabeth N.P. 26/2
Common Zebra	<i>Equus quagga böhmi</i>	Mburu 5-6/3
African (Savanna-) Buffalo	<i>Syncerus caffer caffer</i>	Kabalega Falls N.P. 22-24/2, Queen Elisabeth N.P. 25-26/2
Hippopotamus	<i>Hippopotamus amphibius</i>	Kabalega Falls N.P. 22-23/2, Queen Elisabeth N.P. 23-24/2, Kibale (?) 25/2, 26/2, Mburu 5-7/3
Common Warthog	<i>Phacochoerus africanus</i>	Kabalega Falls N.P. 22-23/2, Queen Elisabeth N.P. 23 24/2, Kibale (?) 25-26/2, Mburu 3-5/3
Giraffe	<i>Girafa camelopardalis cottonii</i>	Kabalega Falls N.P. 23-24/2

Bushbock	<i>Tragelaphus scriptus</i>	Kabalega Falls N.P. 23/2: several
Sitatunga	<i>Tragelaphus spekei</i>	Mabamba 19/2: 1 and 9/3: 3
Eland	<i>Taurotragus oryx</i>	Mabira 6/3: 2-3
Oribi	<i>Ourebia ourebi</i>	Kabalega Falls N.P. 23-24/2, Queen Elisabeth N.P. 25-26/2
Blue Duiker	<i>Cephalohus m. monticola</i>	Mabira 8/3 One animal caught and killed by poachers.
Gunther's Dik-dik	<i>Rhynchotragus guentheri</i>	Kabalega Falls N. P. 23/2
Buhor Reed Buck	<i>Redunca redunca</i>	Mabira 6/3 1ex
Uganda Kob	<i>Kobus kob thomasi</i>	Kabalega Falls N.P. 22-24/2, Queen Elisabeth N.P. 25-26/2
Defassa Water Buck	<i>Kobus ellipsiprymnus defassa</i>	Kabalega Falls N.P. 23-24/2 Queen Elisabeth N.P. 22-25/2, Mburu 5/3
Impala	<i>Aepyceros melampus</i>	Mburu 5-6/3
Topi	<i>Damaliscus lunatus</i>	Queen Elisabeth N.P. 26/2
Lelwel (Jackson's Kongoni, Jacksons Hartebeest)	<i>Alcelaphus buselaphus jacksoni</i>	Kabalega Falls N.P 23-24/2, Queen Elisabeth N.P. 25/2
