

## Mexico 2011

### Pre-pre-tour extension (with Rene Valdez)

Friday 24 June	Mexico City – Mazatlan – Chicayota – El Verde
Saturday 25 June	Mazatlan – Durango Highway – Barrancha Branco Libre
Sunday 26 June	Barrancha – Mazatlan and overnight bus to Hermosillo
Monday 27 June	Hermosillo – Bahia de Kino and boat trip to Tiburon, Turner and St Estephan Islands – Hermosillo
Tuesday 28 June	Hermosillo – Ciudad Juarez – Chihuahua (air)

### Pre- tour extension (with Steve Kornfeld and Judy Meredith of Bend (Oregon) Bird Club (BBC), Saul and Bobby)

Wednesday 29 June	Chihuahua – Madera and Edijo el Largo y Anexas
Thursday 30 June	Edijo el Largo y Anexas - Chihuahua – Monterrey (air)

### Main Tour (with Michael Carmody , David Salas (both Legacy Tours), Steve and Judy, Joe Meredith, Pete and Diane Lowe and Candace Cobb (BBC))

Friday 1 July	Monterrey – Los Lenios – Tanque de Emergencia
Saturday 2 July	Los Lenios – Sao Francisco – Linares – Ojo de Agua
Sunday 3 July	Linares – Gomez Fairas – El Ciedo road
Monday 4 July	El Ciedo road – Altamira – Plaza de Miramar
Tuesday 5 July	Altamira – Champeyon – El Naranjo – Ciudad de Maiz road
Wednesday 6 July	El Naranjo – El Meco – Taninul
Thursday 7 July	Taninul – Tlanchinol – Pachuca
Friday 8 July	Pachuca – Xalapa – Coatepec
Saturday 9 July	Coatepec – Mata de Canaza – Alverado wetlands – San Andres de Tuxtla
Sunday 10 July	San Andres – Volcan San Martin (Sierra los Tuxtlas)
Monday 11 July	San Andres – Volcan san Martin – Tuxtapec – La Reforma road
Tuesday 12 July	Tuxtapec – Vallee Nacional Road – Oaxaca
Wednesday 13 July	Oaxaca – Yagul – Teotitlan de Vallee – Benito Huarez
Thursday 14 July	Oaxaca – los Guacamayos – Monte Alban – Yagul – Teotitlan
Friday 15 July	Oaxaca – La Cumbre – San Jose del Pacifico
Saturday 16 July	San Jose – Sierra Madres del Sul at Hidalgo and La Solenedos – Huatalco

### Post- tour extension (minus Steve and Joe)

Sunday 17 July	Huatalco – road to Isthmus – San Jose del Pacifico
Monday 18 July	San Jose – Isthmus de Tehuantepec – Arriaga
Tuesday 19 July	Arriaga – Boica del Cielo – Paradan road – Puerto Arista – la Sepultura
Wednesday 20 July	Arriaga – El Ocote – Tuxtla Guitterez – El Sumidero
Thursday 21 July	Tuxtla – el Sumidero – Cerro Huiztep – San Cristobal de las Casas

Friday 22 July            Chiapas Highlands around San Cristobal de las Casas and tour ends  
 Saturday 23 July        San Cristobal – Tuxtla – Mexico City

## **Birds**

**E** = Endemic to Mexico

**e** = Endemic to Mexico and northern Central America (Belize, Guatemala and Honduras)

1.     **Thicket Tinamou** (*Crypturellus cinnamomeus*)  
       A pair crossing the road at Gomez Fairas on 4/7. spp *cinnamomeus* or *Rufescent Tinamou*. Heard here and elsewhere
2.     Slaty-breasted Tinamou (*Crypturellus boucardi*)  
       Heard only
3.     Black-bellied Whistling-Duck (*Dendrocygna autumnalis*)
4.     Fulvous Whistling-Duck (*Dendrocygna bicolor*)
5.     Muscovy Duck (*Carina moschata*)
6.     (Mexican) Mallard (*Anas platyrhynchos*)
7.     Lesser Scaup (*Aythya affinis*)  
       A drake near Mazatlan Airport on 26/6 was a surprise at this season
8.     Ruddy Duck (*Oxyura jamaicensis*)
9.     Plain Chachalaca (*Ortalis vetula*)
10.    Rufous-bellied Chachalaca (*Ortalis wagleri*) **E**  
       A pair by the El Pacata road, Durango Highway 25/6
11.    West Mexican Chachalaca (*Ortalis poliocephala*) **E**  
       Common around Mazatlan and the lower reaches of the Durango Highway  
       Heard around Oaxaca and Huatalco
12.    White-bellied Chachalaca (*Ortalis leucogastra*) **e**  
       Several around Arriaga 19/7
13.    Crested Guan (*Penelope purpurascens*)  
       Habituated birds at the Oaxaca Zoo 15/7
14.    Great Curassow (*Crax rubra*)  
       As for 13
15.    **Bearded Wood-Partridge** (*Dendrocoryx barbatus*) **E**  
       The coup of the trip was to lure in a territorial bird for a series of memorable looks in the hills above Coatapac on 9/7. Critically endangered due to habitat loss and trapping this elusive species is rarely seen and was a memorable wipe out of the (x3) genus for me
16.    Long-tailed Wood-Partridge (*Dendrocoryx macroura*) **E**  
       Heard in several places and seen by a few near Los Guacamayas on 14/7
17.    Scaled Quail (*Callipepla squamata*)
18.    Elegant Quail (*Callipepla douglasii*) **E**  
       Several seen around El Verde and Mazatlan 24/6
19.    Northern Bobwhite (*Colinus virginianus*)  
       Good views of 2 calling males of the striking red spp *coyolcos* (*Black-headed Bobwhite*) near Arriaga 19/7
20.    Singing Quail (*Dactyrlortyx thoracicus*) **e**  
       Heard only, very close at El Sumidero 21/7

21. Montezuma Quail (*Cyrtonyx montezumae*)  
A single bird flushed twice at Edijo el Largo 29/6
22. Least Grebe (*Tachybaptus dominicus*)
23. Pied-billed Grebe (*Polilymbus podiceps*)
24. Galapagos Shearwater (*Puffinus subalaris*)  
A few off Huatlaco 16/7. Now split from nominate Audubon's of the Atlantic
25. Black Storm-Petrel (*Oceanodroma melania*)  
Several off Bahia de Kino 27/6 and Huatalco 16/7
26. Least Storm-Petrel (*Oceanodroma microsoma*)  
As for 25
27. Masked Booby (*Sula dactylatra*)  
An immature bird off Huatlaco 17/7
28. Blue-footed Booby (*Sula nebouxii*)  
Common off Bahia de Kino 27/6 and Huatalco 16 and 17/7
29. Brown Booby (*Sula leucogaster*)  
As for 28
30. Brown Pelican (*Pelcanus occidentalis*)
31. Brandt's Cormorant (*Phalacrocorax penicillinatus*)  
Common off Bahia de Kino 27/6
32. Neotropic Cormorant (*Phalacrocorax brasilianus*)
33. Double-crested Cormorant (*Phalacrocorax auritus*)
34. Anhinga (*Anhinga anhinga*)
35. Magnificent Frigatebird (*Fregata magnificens*)
36. Pinnated Bittern (*Botaurus pinnatus*)  
A couple out in the open near Alverada 9/7
37. Least Bittern (*Ixobrychus exilis*)
38. Bare-throated Tiger-Heron (*Tigrisoma mexicanum*)  
An adult near Arriaga 19/7
39. Great Blue Heron (*Ardea herodias*)
40. Great Egret (*Ardea alba*)
41. Snowy Egret (*Egretta thula*)
42. Little Blue Heron (*Egretta caerulea*)
43. Tricolored Heron (*Egretta tricolor*)
44. Reddish Egret (*Egretta rufescens*)
45. Cattle Egret (*Bubulcus ibis*)
46. Green Heron (*Butorides virescens*)
47. Black-crowned Night-Heron (*Nycticorax nycticorax*)
48. Yellow-crowned Night-Heron (*Nycticorax violacea*)
49. Boat-billed Heron (*Cochlearius cochlearius*)  
Daylight colonies at Taninul 6/7 and, memorably with a pair with hoods fluffed out, near Arriaga 19/7
50. White Ibis (*Eudocimus albus*)
51. Roseate Spoonbill (*Platalea ajaja*)
52. Wood Stork (*Mycteria Americana*)
53. Black Vulture (*Coragyps atratus*)
54. Turkey Vulture (*Cathartes aura*)
55. Lesser Yellow-headed Vulture (*Cathartes burrovianus*)
56. (*American*) Osprey (*Pandion (carolinesis) haliaetus*)
57. White-tailed Kite (*Elanus leucurus*)

58. Black-collared Hawk (*Busarellus nigricollis*)  
One near Tuxtapepec was a rare find in Mexico
59. Sharp-shinned Hawk (*Accipiter striatus*)
60. *White-breasted* (Sharp-shinned) Hawk (*Accipiter (striatus) choniogaster*) e  
One chasing Unicolored Jays near San Cristobal 22/7. An on/off species very distinct from Sharp-shinned
61. Cooper's Hawk (*Accipiter cooperi*)
62. Northern Goshawk (*Accipiter gentiles*)  
Singles at Barranco Brncho Libre 25/6 and Edijo el Largo 30/6
63. Crane Hawk (*Geranospiza caerulescens*)  
Singles at Huatalco 17/7 and El Ocote 20/7. The dark form *nigra*
64. White Hawk (*Leucopternis albicollis*)  
The very white northern spp *ghiesbreghtii*
65. Common Black-Hawk (*Buteogallus anthracinus*)
66. *Mangrove Black-Hawk* (*Buteogallus (anthracinus) subtilis*)  
Another on/off species, seen near Arriaga 19/7
67. Great Black-Hawk (*Buteogallus urubitinga*)  
A couple in a soaring kettle of Vultures and Storks near Arriaga 19/7
68. Roadside Hawk (*Buteo magnirostris*)
69. Gray Hawk (*Buteo nitidus*)
70. Short-tailed Hawk (*Buteo brachyurus*)
71. Swainson's Hawk (*Buteo swainsoni*)
72. White-tailed Hawk (*Buteo albicaudatus*)
73. Red-tailed Hawk (*Buteo jamaicensis*)  
At least three spp (*borealis*, *calurus* and *fuertesi*) identified
74. Ornate Hawk-Eagle (*Spizaetus ornatus*)  
Singles along the El Ciedo road 3 and 4/7 were presumably nesting
75. Northern Crested Caracara (*Caracara cheriway*)
76. Laughing Falcon (*Herpetotheres cachinnans*)
77. American Kestrel (*Falco sparverius*)
78. Aplomado Falcon (*Falco femoralis*)
79. Bat Falcon (*Falco ruficularis*)
80. Peregrine Falcon (*Falco peregrinus anatum*)
81. Ruddy Crake (*Laterallus ruber*)  
One induced into view at Champeyon 5/7. Heard elsewhere
82. Purple Gallinule (*Porphyrio martinica*)
83. American Moorhen (*Gallinula (chloropus) cachinnans*)  
New World birds are proposed as a separate species by some
84. American Coot (*Fulica americana*)
85. Limpkin (*Aramus guarauna*)
86. ~~Double-striped Thicknee~~ (*Burhinus bistriatus*)  
Birds near Linares 3/7, Alverada 9/7 and the Isthmus de Tetuantepec 28/7
87. Black-bellied Plover (*Pluvialis squatarola*)
88. Collared Plover (*Charadrius collaris*)
89. Wilson's Plover (*Charadrius wilsonia*)
90. American Oystercatcher (*Haemantopus palliatus*)
91. Black-necked Stilt (*Himantopus mexicanus*)
92. Northern Jacana (*Jacana spinosa*)
93. Greater Yellowlegs (*Tringa melanoleuca*)
94. (*Western*) Willet (*Tringa (inornata) semipalmata*)

95. (*Hudsonian*) Whimbrel (*Numenius (hudsonicus) phaeopus*)
96. Marbled Godwit (*Limosa fedoa*)
97. Sanderling (*Calidris alba*)
98. Western Sandpiper (*Calidris mauri*)
99. Laughing Gull (*Leucophaeus atricilla*)
100. Heermann's Gull (*Larus heermanni*)
101. Yellow-footed Gull (*Larus livens*) **e**  
Abundant at and off Bahia de Kino 27/6
102. (*American*) Herring Gull (*Larus (smithsonicus) argentatus*)
103. Least Tern (*Sternula antillarum*)
104. Gull-billed Tern (*Geochelidon nilotica*)
105. Caspian Tern (*Hydroprogne caspia*)
106. Black Tern (*Chilodonia niger*)
107. Common Tern (*Sterna hirundo*)
108. Royal Tern (*Thalasseus maximus*)
109. Black Skimmer (*Rhynchops niger*)
110. Red-billed Pigeon (*Patagioenas fasciatus*)
111. Short-billed Pigeon (*Patagioenas nigrirostris*)  
A responsive calling bird on the Vallee Nacional Road 12/7
112. Eurasian Collared Dove (*Streptopelia decaocto*)  
Didn't see this species in 2005- it is now all over the place
113. White-winged Dove (*Zenaida asiatica*)
114. Mourning Dove (*Zenaida macroura*)
115. Inca Dove (*Columbina inca*)
116. Common Ground-Dove (*Columbina passerine*)
117. Plain-breasted Ground-Dove (*Columbina minuta*)  
Only near Alverada 9/7
118. Ruddy Ground-Dove (*Columbina talpacoti*)
119. Blue Ground-Dove (*Clavaria pretiosa*)  
Close studies at Volcan san Martin 10 and 11/7
120. White-tipped Dove (*Leptoptila verreauxi*)
121. **Tuxtla Quail-Dove** (*Geotrygon carrikeri*) **E**  
Common by voice at Volcan san Martin 10 and 11/7. A quick flight view then 1 ½ days tracking down calling birds until all eventually saw this reclusive species. Very close views of one on the morning of 11/7. Now solidly split from Purplish-backed and a Mexican endemic restricted to the Sierra los Tuxtlas
122. Green Parakeet (*Aratinga holochlora*) **E**  
Plenty around Taninul and El Naranjo 5 and 6/7
123. Olive-throated Parakeet (*Aratinga strenua*)
124. Orange-fronted Parakeet (*Aratinga canicularis*)
125. Military (*Mexican*) Macaw (*Ara militaris mexicana*)  
Several from the Durango Highway 25 and 26/7
126. **Thick-billed Parrot** (*Rhynchopsitta pachyrhyncha*) **E**  
At least 10 around their nesting area in the pines at Edijo el Largo 29/6 with 2 watched in the scope devouring pine cones. Other heard today and on 30/6. An endangered Mexican endemic almost never encountered nowadays in southern USA

127. **Maroon-fronted Parrot** (*Rhynchopsitta terrisi*) **E**  
The cliff nesting cousin of 126 and almost as endangered. The climb up to the base of their nesting cliff at Los Lenios on 2/7 was worth it for looks at flying birds and a couple of scoped, perched ones
128. Orange-chinned Parakeet (*Brotogeris jugularis*)
129. White-crowned Parrot (*Pionus senilis*)
130. White-fronted Parrot (*Amazona albifrons*)
131. **Red-crowned Parrot** (*Amazona viridigenalis*) **E**  
2 in flight along the El Meco road 6/7. Although I had seen this species at Brownsville, Texas many years ago the birds there are of escaped origin and it was nice to sanitise this Mexican endemic
132. Lilac-crowned Parrot (*Amazona finschii*) **E**  
Along the La Pataca road on the Durango Highway on 25/6 and at Huatalco on 17/7
133. Red-lored Parrot (*Amazona autumnalis*)  
The most numerous species along the El Meco road 6/7
134. Mealy Parrot (*Amazona farinosa*)
135. Yellow-headed Parrot (*Amazona oratrix*) **e**  
A couple of the very yellow headed form *oratrix* with the Red-loreds along the El Meco road 6/7. Endangered from habitat loss and the cage bird trade. I had previously only seen this bird in Belize
136. Squirrel Cuckoo (*Piaya cayana*)
137. Yellow-billed Cuckoo (*Coccyzus americanus*)
138. Lesser Roadrunner (*Geococcyx velox*) **e**  
A very obliging bird at Chicatoya 24/6
139. Greater Roadrunner (*Geococcyx californianus*)
140. Groove-billed Ani (*Crotophaga sulcirostris*)
141. Pacific Screech-Owl (*Megascops cooperi*)  
A nice pair of the nominate race alongside the Paradon Road near Arriaga 19/7
142. Whiskered Screech-Owl (*Megascops trichopsis*)  
A rather sorry looking individual spotlighted in the drizzle at La Cumbre 15/7
143. Mountain (*Northern*) Pygmy-Owl (*Glaucidium (gnoma) gnoma*) **e**  
Daylight views of a couple of responsive birds at Los Lenios 1 and 2/7. A taxonomic mess here, now lumping *gnoma* with *californicum*, *hoskinsii* and *cobanense*. Doubtless they will all be split again before too long!
144. **Guatemalan** (*Northern*) **Pygmy-Owl** (*Glaucidium (gnoma) conanense*) **e**  
See above. Anyway it was nice to get a daylight, russet red individual on Cerro Huiztep on our last day. A form I had not seen before and a good bet for a re-split before too long
145. **Tamaulipas Pygmy-Owl** (*Glaucidium sanchezi*) **E**  
This responsive but diminutive endemic took a little tracking down by the El Ciedo road on 8/7 but, once found, granted long looks including scope views
145. Colima Pygmy-Owl (*Glaucidium palmarum*) **E**  
A responsive bird at Huatalco 17/7
146. Ferruginous Pygmy-Owl (*Glaucidium brasilianum*)
147. Mottled Owl (*Ciccaba virgata*)  
A responsive couple of birds on the Volcan san Martin 10/7

148. Fulvous Owl (*Strix fulvescens*) e  
A responsive bird at La Cumbre on 15/7. An interesting one this, only recently found at this site and previously unknown north of the Isthmus of de Tehuantepec. Although it sounded like a Fulvous it also showed characteristics of Barred and may represent a new species – Mexican Barred Owl!
149. Lesser Nighthawk (*Chordeiles acutipennis*)
150. Common Nighthawk (*Chordeiles minor*)
151. Common Pauraque (*Nyctidromus albicollis*)
152. **Tawny-collared Nightjar** (*Caprimulgus salvini*) **E**  
Plenty of calls but only two brief flight views of this thorn forest endemic at Ojo de Agua 2 and 3/7
153. Northern Potoo (*Nyctibius jamaicensis*)  
One at Taninul early morning of 7/7
154. Black Swift (*Cypseloides niger borealis*)
155. White-collared Swift (*Streptoprocne zonaris*)
156. **White-naped Swift** (*Streptoprocne semicollaris*) **E**  
Only one flock of this monster (the largest Swift in the world), above El Palmito, Durango Highway 25/6. But it contained more than 200 birds!
157. Vaux's Swift (*Chaetura vauxi richmondi*)
158. White-throated Swift (*Aeronautes saxatalis*)
159. Wedge-Tailed Sabrewing (*Campylopterus curvipennis*)  
Relatively common at El Ciedo and El Naranjo 4 – 7/7. The endemic nominate spp *curvipennis* (*Curve-winged Sabrewing*)
160. Long-tailed Sabrewing (*Campylopterus excellens*) **E**  
2 at Volcan san Martin 10/7
161. Violet Sabrewing (*Campylopterus hemileucurus*)
162. Green Violetear (*Colibri thalassinus*)
183. Green-breasted Mango (*Anthracothorax prevostii*)
184. Carnivet's Emerald (*Chlorostilbon carniveti*)
185. Dusky Hummingbird (*Cyanthus sordidus*) **E**  
Common around Oaxaca
186. Broad-billed Hummingbird (*Cyanthus latirostris*) e
187. *Doubleday's Hummingbird* (*Cyanthus (latirostris) doubledayi*) **E**  
A couple at Huatalco 17 and 18/7. Again an on/off split from Broad-billed
188. White-eared Hummingbird (*Hylocharis leucotis*) e
189. White-bellied Emerald (*Amazilia candida*) e
190. Azure-crowned Hummingbird (*Amazilia cyanocephala*) e  
A couple around Oaxaca
191. Berryline Hummingbird (*Amazilia berryllina*) e  
Both nominate and *Deville's (devillei)*
192. Buff-bellied Hummingbird (*Amazilia yacatanensis chalconota*) e
193. Cinnamon Hummingbird (*Amazilia rutila*)
194. Violet-crowned Hummingbird (*Amazilia violiceps*)
195. Green-fronted Hummingbird (*Amazilia viridifrons*) **E**  
A single near Oaxaca 15/7. The spp *villadai* (*Villada's Hummingbird*)
196. **Blue-capped Hummingbird** (*Eupherusa cyanophrys*) **E**  
At least three males feeding along the roadside near Hidalgo 16/7 and one 17/7. Endemic to the Sierra Madres de Sur de Oaxaca

197. Amethyst-throated Hummingbird (*Lampornis amethystinus*) e  
Both nominate and *salvini* (*Guatemalan Hummingbird*)
198. Blue-throated Hummingbird (*Lampornis clemenciae*)
199. Garnet-throated Hummingbird (*Lamprolaima rhami*) e  
Above Coatapec and on Cerro Huiztep
200. Magnificent Hummingbird (*Eugenes fulgens*)  
2 males of the nominate (*Rivoli's Hummingbird*) at Los Guacamaynas 14/7
201. Black-chinned Hummingbird (*Archilochus alexandri*)
202. Broad-tailed Hummingbird (*Selasphorus platycercus*)
203. Citreoline Trogon (*Trogon citreolus*) **E**  
Around Huatalco and Arriaga
204. Gartered Trogon (*Trogon violaceus*)
205. Mountain Trogon (*Trogon mexicanus*) e
206. Elegant Trogon (*Trogon elegans*)  
The endemic spp *ambiguus* (*Coppery-tailed Trogon*)
207. Collared Trogon (*Trogon collaris*)
208. Eared Quetzal (*Euptilotis neonexus*) **E**  
Sadly the dip of the trip. Despite a lot of effort only a brief called response in its hotspot at the Edijo el Largo 29 and 30/6. How do I find my last Trogon now?
209. Tody Motmot (*Hylomanes momotula*)  
A nice responsive pair along the Vallee Nacioanl road 12/7
210. Blue-throated Motmot (*Aspatha gularis*) e  
A responsive bird on Cerro Huiztec 21/7
211. Russet-crowned Motmot (*momotus mexicanus*) e
212. Blue-diademed Motmot (*Momotus momota*)  
The local species now split from Blue-crowned
213. Ringed Kingfisher (*Megaceryle torquata*)
214. Green Kingfisher (*Chloroceryle americana*)
215. Emerald Toucanet (*Aulacorhynchus prasinus*) e  
Chiapas highlands only around San Cristobal
216. **Wagler's** (Emerald) **Toucanet** (*Aulacorhynchus (prasinus) wagleri*) **E**  
This taxonomic mess remains confusing and now there is one species again – for how long? Anyway a nice pair near Hidalgo 17/7
217. Acorn Woodpecker (*Melanerpes formicivorus*)
218. Golden-cheeked Woodpecker (*Melanerpes chrysogenys*) **E**  
Only one, at Huatalco 17/7
219. Gray-breasted Woodpecker (*Melanerpes hypopolius*) **E**  
3 around Yagul 13/7
220. Gila Woodpecker (*Melanerpes uropygialis*)  
Common around Mazatlan
221. Golden-fronted Woodpecker (*Melanerpes aurifrons*)  
Including one *santacruzii* (*Velasquez' Woodpecker*) near Oaxaca on 12/7
222. Ladder-backed Woodpecker (*Picoides scalaris*)
223. Hairy Woodpecker (*Picoides villosus*)  
spp *sanctorum* (*Todos Santos Woodpecker*) in the Chiapas Highlands
224. Arizona Woodpecker (*Picoides arizonae*)  
One from the Durango Highway 25/6
225. Golden-olive Woodpecker (*Colaptes rubiginosus*)

226. **Bronze-winged Woodpecker** (*Colaptes (rubiginosus) aeruginosus*) **E**  
This form, endemic to NE Mexico, is widely separated from the nearest Olive-Greens and differs in plumage and by voice. A good bet for a split before too long. 2 nice males on the El Ciedo road 4/7
227. Northern Flicker (*Colaptes auratus*)  
Both *Red-shafted* (*C. a. cafer*) and *Guatemalan* (*C. a. mexicanoides*) were seen
228. Lineated Woodpecker (*Dryocopus lineatus*)
229. Pale-billed Woodpecker (*Campephilus guatemalensis*)  
2 near Huatalco 17/7
230. Rufous-breasted Spinetail (*Synallaxis erythrogaster*) **e**  
A pair alongside the Vallee Nacional road 12/7
231. Scaly-throated Foilage-Gleaner (*Anabacerthia variegaticeps*)
232. Buff-throated Foilage-Gleaner (*Automolus ochrolaemus*)
233. Ruddy Foilage-Gleaner (*Automolus rubiginosus*)
234. Plain Xenops (*Xenops minutus*)
235. Olivaceous Woodcreeper (*Sittasomus griseicapillus*)
236. Strong-billed Woodcreeper (*Xiphocolaptes promeropirhynchus*)  
A pair of the near endemic form *emigrans* (*Sclater's Woodcreeper*) near Los Guacamayas 14/7
237. Ivory-billed Woodcreeper (*Xiphorhynchus flavigaster*)
238. White-striped Woodcreeper (*Lepidocolaptes leucogaster*) **E**  
Several at Barranca Bracho Libre 25 and 26/6
239. Spot-crowned Woodcreeper (*Lepidocolaptes affinis*)
240. Barred Antshrike (*Thamnophilus doliatus*)
241. Northern Beardless Tyrannulet (*Camptostoma imberbe*)
242. Greenish Elaenia (*Myiopagis viridicata*)
243. Yellow-bellied Elaenia (*Elaenia flavogaster*)
244. Northern Bentbill (*Oncostoma cinereigulare*)
245. Stub-tailed Spadebill (*Platyrinchus cancrominus*)  
A responsive individual at El Ocote 20/7
245. Belted Flycatcher (*Xenotriccus callizonus*) **e**  
A nice individual at El Sumidero 20/7
246. Pileated Flycatcher (*Xenotriccus mexicanus*) **E**  
One at Monte Alban 14/7
247. Greater Pewee (*Contopus pertinax*) **e**
248. Western Wood Pewee (*Contopus sordidulus*)
249. White-throated Flycatcher (*Empidonax albigularis*)  
Two at San Cristobal las Casas 22/7
250. Pine Flycatcher (*Empidonax affinis*) **e**  
Individuals at Edijo el Largo 20/6 and Benito Huarez 13/7
251. Cordilleran Flycatcher (*Empidonax occidentalis*)
252. Yellowish Flycatcher (*Empidonax falvescens*)
253. Buff-breasted Flycatcher (*Empidonax fulvifrons*) **e**  
2 at Edijo el Largo 21/6
254. Black Phoebe (*Sayornis nigricans*)
255. Say's Phoebe (*Sayornis saya*)
256. Vermilion Flycatcher (*Pyrocephalus rubinus*)

257. Dusky-capped Flycatcher (*Myiarchus tuberculifer*)  
Both *lawrencii* (*Lawrence's Flycatcher*) and the near endemic *olivascens* (*Olivaceous Flycatcher*)
258. Nutting's Flycatcher (*Myiarchus nuttingi*)
259. Brown-crested Flycatcher (*Myiarchus tyrannulus*)  
The spp *cooperi* (*Mexican Crested Flycatcher*)
260. Flammulated Flycatcher (*Deltarhynchus flammulatus*) **E**  
One at El Sumidero 20/7
261. Great Kiskadee (*Pitangus sulphuratus*)
262. Boat-billed Flycatcher (*Megarhynchus pitangua*)
263. Social Flycatcher (*Myiozetes similis*)
264. Streaked Flycatcher (*Myiodynastes maculatus*)
265. Sulphur-bellied Flycatcher (*Myiodynastes luteiventris*)
266. Piratic Flycatcher (*Legatus leucophaeus*)
267. Tropical Kingbird (*Tyrannus melancholicus*)
268. Couch's Kingbird (*Tyrannus couchii*)
269. Cassin's Kingbird (*Tyrannus vociferans*)
270. Thick-billed Kingbird (*Tyrannus crassirostris*) **e**
271. Fork-tailed Flycatcher (*Tyrannus savana*)
272. Grey-collared Becard (*Pachyramphus major*) **e**  
Singles at El Ocote 20/7 and el Sumidero 21/7
273. Rose-throated Becard (*Pachyramphus aglaiae*)  
Both nominate and the near endemic *albiventris* (*Xantu's Becard*)
274. Masked Tityra (*Tityra semifasciata personata*)
275. **Slaty Vireo** (*Vireo brevipennis*) **E**  
A responsive individual near Oaxaca 12/7 was a miss from 2005 rectified. A striking creature. As MC said "all Vireos should look like this"!
276. White-eyed Vireo (*Vireo griseus*)  
Both nominate and the endemic *perquisitor* (*Veracruz Vireo*)
277. Dwarf Vireo (*Vireo nelsoni*) **E**  
A responsive pair above Teotitlan 13/7
278. Plumbeous Vireo (*Vireo plumbeus*)
279. Hutton's Vireo (*Vireo huttoni*)  
spp *stephensi* (*Mexican Vireo*)
280. Golden Vireo (*Vireo hypochryseus*) **E**  
Another beautiful endemic Vireo. A pair near Hidalgo 16/7
281. Warbling Vireo (*Vireo gilvus*)  
spp *swainsonii* (*Western Warbling Vireo*)
282. Brown-capped Vireo (*Vireo leucophrys*)
283. Yellow-green Vireo (*Vireo flavoviridis*)
284. Lesser Greenlet (*Hylophilus decurtatus*)
285. Green Shrike-Vireo (*Vireolanus pulchellus*)  
A nice family party along the Vallee Nacional road 12/7
286. Rufous-browed Peppershrike (*Cyclarhis gujanensis*)
287. Steller's Jay (*Cyanocitta stelleri*)  
Both the near endemic *coronata* (*Blue-crested Jay*) and the inappropriately named *diademata* (*Long-crested Jay*)
288. Black-throated Magpie-Jay (*Calocitta colliei*) **E**  
Common along the lower reached of the Durango Highway 26 and 26/6

289. White-throated Magpie-Jay (*Calocitta formosa*)
290. Tufted Jay (*Cyanocorax dickeyi*) **E**  
Easily seen around El Palmito and the Barranca cabins 25 and 26/7. A very range restricted endemic
291. Green Jay (*Cyanocorax yncas*)
292. Brown Jay (*Cyanocorax morio*)
293. Purplish-backed Jay (*Cyanocorax beecheii*) **E**  
Common in the lowlands around Mazatlan 24. 25 and 26/7
294. Dwarf Jay (*Cyanolyca nana*) **E**  
Good views near Los Guacamayas 14/7
295. White-throated Jay (*Cyanolyca mirabilis*) **E**  
A pair near San Jose del Pacifico 18/7 was a rare highlight on our long backtrack to the Isthmus
296. Western Scrub-Jay (*Aphelocoma californica*)  
The endemic spp *sumichrasti* (*Sumichrast's Jay*)
297. Mexican Jay (*Aphelocoma ultramarina*) **e**  
The striking nominate spp (*Ultramarine Jay*)
298. Ultramarine Jay (*Aphelocoma unicolor*) **e**
299. **Tamaulipas Crow** (*Corvus imparatus*) **E**  
Declining but still common enough around Linares, Altamira and El Naranjo 3, 4 and 6/7
300. Sinaloa Crow (*Corvus sinaloae*) **E**  
Unlike 299 appears to be thriving around Mazatlan
302. Chihuahuan Raven (*Corvus cryptoleucus*)  
Including one showing its rarely seen white nape
303. Northern Raven (*Corvus corax*)
304. Horned Lark (*Eremophila alpestris*)
305. **Sinaloa Martin** (*Progne sinaloae*) **E**  
A major impetus for my pre, pre tour extension was to visit the relatively recently discovered breeding cliff of this species near El Palmito on the Durango Highway. 2 pairs here on 25 and 26/6, the only known breeding site for this partially migratory endemic
306. Gray-breasted Martin (*Progne chalybea*)
307. Mangrove Swallow (*Tachycineta albilineata*)
308. Black-capped Swallow (*Notiochelidon pileata*) **e**  
Only distant views of this near endemic above Cerro Huiztep 22/7
309. Northern Rough-winged Swallow (*Stelidopteryx serripennis*)  
Both nominate and *ridgwayi* (*Ridgway's Rough-winged Swallow*)
310. Bank Swallow (*Riparia riparia*)
311. Cliff Swallow (*Petrochelidon pyrrhonota*)  
spp *melanogaster* (*Mexican Cliff Swallow*)
312. Cave Swallow (*Petrochelidon fulva*)  
spp *pelodoma* (*Coahuila Cliff Swallow*)
313. Barn Swallow (*Hirundo rustica*)
314. Mexican Chickadee (*Poecile sclateri*) **e**
315. Black-crested Titmouse (*Baeolophus atriscristatus*) **e**
316. Black-eared Bushtit (*Psaltriparius minimus melanotis*) **e**
317. White-breasted Nuthatch (*Sitta carolinensis*)  
spp *mexicana* (*Mexican Nuthatch*)
318. Brown Creeper (*Certhia americana*)

319. Band-backed Wren (*Campylorhynchus zonatus*) **E**
320. Gray-barred Wren (*Campylorhynchus megalopterus*) **E**  
Pacific lowlands alongside 321
321. Giant Wren (*Campylorhynchus chiapensis*) **E**
322. Rufous-naped Wren (*Campylorhynchus rufinucha*)  
A taxonomic bundle. Nominate *rufinucha* (with no real rufous on the nape) 9/7, *humilis* (*Sclater's Wren*) 16/7 and *capistratus* (*Rufous-backed Wren*) 19/7.  
Watch for some splits here
323. Spotted Wren (*Campylorhynchus gularis*) **E**  
El Naranjo 5/7
324. Boucard's Wren (*Campylorhynchus jocosus*) **E**  
Yagul 13/7
325. Cactus Wren (*Campylorhynchus brunneicapillus*)
326. Sumichrast's Wren (*Hylorchilus sumichrasti*) **E**  
2 birds along the rocky La Reforma track 11/7
327. **Nava's Wren** (*Hylorchilus navai*) **E**  
A nice responsive bird at El Ocote 20/7 was a nice catch back from 2005 and my last North American mainland Wren
328. Spot-breasted Wren (*Thryothorus maculipectus*)
329. Banded Wren (*Thryothorus pleurostictus*)
330. Carolina Wren (*Thryothorus ludovicianus*)
331. Happy Wren (*Thryothorus felix*) **E**  
Pacific lowlands
332. Plain Wren (*Thryothorus modestus*)
333. Bewick's Wren (*Thryomanes bewickii*)  
spp *eremophilus* (*Mid-continent Bewick's Wren*)
334. House Wren (*Troglodytes aedon*)  
Nominate spp (*Northern House Wren*), *musculus* (*Southern House Wren*) and *brunneicollis* (*Brown-throated Wren*)
335. Rufous-browed Wren (*Troglodytes rufociliatus*) **e**  
Chiapas Highlands
336. White-bellied Wren (*Uropsila leucogastra*) **e**  
A pair El Ciedo road 4/7
337. White-breasted Wood-Wren (*Henicorhina leucosticta*)
338. Gray-breasted Wood-Wren (*Henicorhina leucophrys*)
339. White-lored Gnatcatcher (*Poliophtila albiloris*)
340. Eastern Bluebird (*Sialia sialis*)
341. Western Bluebird (*Sialia mexicana*)
342. Brown-backed Solitaire (*Myadestes occidentalis*) **e**
343. Slate-colored Solitaire (*Myadestes unicolor*) **e**  
Heard on several occasions but never pinned down
344. Orange-billed Nightingale-Thrush (*Catharus aurantirostris*)
345. Russet Nightingale-Thrush (*Catharus occidentalis*) **E**  
spp *olivascens* (*Olive Nightingale-Thrush*) in the central Highlands
346. Ruddy-capped Nightingale-Thrush (*Catharus frantzii*)
347. Black-headed Nightingale-Thrush (*Catharus mexicanus*)
348. Black Thrush (*Turdus infuscatus*) **e**
349. Clay-colored Thrush (*Turdus grayi*)
350. White-throated Thrush (*Turdus assimilis*)  
Both nominate and the endemic *assimilis*

351. Rufous-backed Robin (*Turdus rufopalliatu*s) **E**  
Durango Highway and around Oaxaca
352. Rufous-collared Robin (*Turdus rufitorques*) **e**  
Chiapas Highlands
353. **Aztec Thrush** (*Ridgwayia pinicola*) **E**  
A piebald male was located first by its call at Los Guacamayas 14/7 then gave prolonged if rather misty views. An endemic much wanted by all
354. Northern Mockingbird (*Mimus polyglottos*)
355. Tropical Mockingbird (*Mimus gilvus*)
356. Long-billed Thrasher (*Toxostoma longirostre*)
357. Ocellated Thrasher (*Toxostoma ocellatum*) **E**  
A rather distant but clear individual perched up above Teotitlan 13/7
358. Curve-billed Thrasher (*Toxostoma curvirostre*)
359. Crissal Thrasher (*Toxostoma crissale*)
360. Blue Mockingbird (*Melanotis caerulescens*) **E**  
Several along the Durango Highway 25/6 and also heard and partially seen 4 and 5/7
362. Blue-and-white Mockingbird (*Melanotis hypoleucus*) **e**  
2 Cerro Huiztep 22/7
363. Gray Silky-Flycatcher (*Ptilogonys cinereus*) **e**
364. Phainopepla (*Phainopepla nitens*)
365. Olive Warbler (*Peucedramus taeniatus*)
366. Colima Warbler (*Vermivora crissalis*)  
One at Los Lenios 1/7
367. Crescent-chested Warbler (*Parula superciliosa*) **e**
368. Tropical Parula (*Parula pitiayumi*)  
spp *nigrilora* (Tamualipas Parula)
369. Grace's Warbler (*Dendroica graciae*)
370. **Altamira Yellowthroat** (*Geothlypis flavovelata*) **E**  
2 nice singing males at Chameyon 5/7. Endemic to coastal E Mexico
371. Hooded Yellowthroat (*Geothlypis nelsoni*) **E**  
2 singing birds near Saltillo 1/7
372. Gray-crowned Yellowthroat (*Geothlypis poliocephala*)
373. Red-faced Warbler (*Cardellina rubrifrons*)
374. Red Warbler (*Ergaticus ruber*) **E**  
Grey-cheeked *melanauris* (*Black-eared Warbler*) at Barrancha Brancho Libre 5/6 and white-cheeked nominate 13 and 14/7
375. Pink-headed Warbler (*Ergaticus versicolor*) **e**  
3 in the Chiapas Highlands 22/7
376. Painted Redstart (*Myioborus inornata*)
377. Slate-throated Redstart (*Myioborus miniatus*)
378. Fan-tailed Warbler (*Euthlypis lachrymose*) **e**
379. Golden-crowned Warbler (*Basileuterus culcivorus*)
380. Rufous-capped Warbler (*Basileuterus rufufrons*)  
Both nominate and salvini (*Salvin's Warbler*)
381. Golden-browed Warbler (*Basileuterus belli*) **e**
382. Yellow-breasted Chat (*Icteria virens*)
383. Red-breasted Chat (*Granatellus venustus*) **E**  
A superb responsive male El Ocote 20/7

384. Common Bush-Tanager (*Chlorospingus ophthalmicus*)  
Another taxonomic time bomb both in Mexico and elsewhere. spp *postocularis* (*Dusky-headed*), *wetmorei* (*Wetmore's*), *albifrons* (*White-fronted*) and nominate (*Brown-headed*) all identified. A multiple split of this species to follow?
385. Red-crowned Ant-Tanager (*Habia rubica*)  
Both *rubicoides* and the endemic *affinis* (*West Mexican Ant-Tanager*)
386. Red-throated Ant-Tanager (*Habia fuscicauda*)
387. Hepatic Tanager (*Piranga flava*)
388. Flame-colored Tanager (*Piranga bidentata*)  
spp *sanguinolenta* (*Lafresnaye's Tanager*)
398. White-winged Tanager (*Piranga leucoptera*)
390. **Red-headed Tanager** (*Piranga erythrcephala*) **E**  
As MC said Durango Highway is the place for this one. 7 there 25/7 and a pair feeding in a fruiting roadside tree at El Palmito 26/7. How did I miss them last time? Poor views of a pair at Hidalgo 20/7
391. Crimson-collared Tanager (*Ramphocelus sanguinolentus*)
392. Blue-gray Tanager (*Thraupis episcopus*)
393. Yellow-winged Tanager (*Thraupis abbas*) **e**
394. Red-legged Honeycreeper (*Cyanerpes cyaneus*)
395. Blue-black Grassquit (*Volatinia jacarina*)
396. White-collared Seedeater (*Sporophila torqueola*)  
Both nominate *Cinnamon-rumped* and *morelleti*
397. Ruddy-breasted Seedeater (*Sporophila minuta parva*)  
This form is proposed as a separate species from South American forms
398. Blue Seedeater (*Amaurospiza concolor*)  
A pair at El Ocote 20/7
399. Yellow-faced Grassquit (*Tiaris olivaceus*)
400. Cinnamon-bellied Flowerpiercer (*Diglossa baritula*)
401. White-naped Brush-Finch (*Atleptes albinucha*)  
spp *gutturalis* (*Yellow-throated Brush-Finch*) in the Chiapas Highlands
492. Rufous-capped Brush-Finch (*Atlaptres pileatus*) **E**  
A nice pair at Los Lenios 1 and 2/7
493. Chestnut-capped Brush-Finch (*Arremon brunneinucha*)  
Here we go again. Nominate (*Hidalgo*), *apertus* (*Tuxtla*), *mike* and *macrourus* (*Chiapas*) all seen
494. Rusty-crowned Ground-Sparrow (*Melospiza kieneri*) **E**  
Durango Highway 25/6
495. Collared Towhee (*Pipilo ocai*) **E**  
Common in the higher forests above Oaxaca
496. Spotted Towhee (*Pipilo maculatus*)
497. White-throated Towhee (*Pipilo albicollis*) **E**  
Common in the valley of Oaxaca
498. Stripe-headed Sparrow (*Aimophila ruficauda*)
499. Bridled Sparrow (*Aimophila mystacalis*) **E**  
2 at Yagul 13/7 and a single 14/7
500. Cinnamon-tailed Sparrow (*Aimophila sumichrasti*) **E**  
Isthmus of Tehuantepec
501. Botteri's Sparrow (*Aimophila botterii*)
502. Rufous-crowned Sparrow (*Aimophila ruficeps*)

503. Rusty Sparrow (*Aimophila rufescens*)
504. Oaxaca Sparrow (*Aimophila notosticta*) **E**  
A sneaky pair above Teotitlan 13/7
505. Striped Sparrow (*Oriturus superciliosus*) **E**  
Along side the Pachuca – Xalapa highway 8/7
506. Chipping Sparrow (*Spizella passerina*)
507. **Worthen's Sparrow** (*Spizella wortheni*) **E**  
A single perched and then several flight views after a long tramp at Tanque de Emergencia 1/7. I went looking at Prairie Dogs and thus missed a last gasp and surprising “winter” flock of a further 18 birds. A declining E Mexican endemic suffering from loss of native prairie
509. Black-chinned Sparrow (*Spizella atrogularis*)
508. Black-throated Sparrow (*Amphispiza bilineata*)
509. Rufous-collared Sparrow (*Zonotrichia capensis*)
510. Yellow-eyed Junco (*Junco phaeonotus*)  
Both nominate and *alticola* (*Guatemalan Junco*)
511. Grayish Saltator (*Saltator coerulescens*)  
Both *grandis* (*Middle American Saltator*) and *vigorsii* (*Grayson's Saltator*)
512. Buff-throated Saltator (*Saltator maximus*)
513. Black-headed Saltator (*Saltator atriceps*)
514. Black-faced Grosbeak (*Caryothraustes poliogaster*)
515. **Crimson-collared Grosbeak** (*Rhodothraupis celaeno*) **E**  
This attractive endemic was common for a short time around Ojo de Agua 2 and 3/7
516. Western Cardinal (*Cardinalis cardinalis*)  
Both nominate and the endemic *carneus* (Long-crested Cardinal)
517. Pyrrhuloxia (*Cardinalis sinuatus*)
518. Yellow Grosbeak (*Pheucticus chrysopheplus*) **e**  
A couple of the nominate spp at El Ocote 20/7
519. Black-headed Grosbeak (*Pheucticus ludovicianus*)
520. Blue-black Grosbeak (*Cyanocompsa cyanoides*)
521. Blue Bunting (*Cyanocompsa cyanoides*) **e**  
A couple of the very bright endemic spp *indigotica* (*Turquoise-fronted Bunting*) at Hualtaco 17/7
522. Blue Grosbeak (*Passerina caerulea*)
523. Rose-bellied Bunting (*Passerina rositae*) **E**  
4 males and a female of this stunning endemic by the La Sepultura road 19/7
524. Orange-breasted Bunting (*Passerina leclancherii*) **E**  
Birds at Hualtaco 17/7 and La Sepultura 19/7 but we never real good looks at a full male
525. Varied Bunting (*Passerina versicolor*)
526. Scrub Euphonia (*Euphonia affinis*)
527. Yellow-throated Euphonia (*Euphonia hirundinacea*)
528. Olive-backed Euphonia (*Euphonia gouldi*)
529. House Finch (*Carpodacus mexicanus*)
530. Black-headed Siskin (*Carduelis notata*)
531. Lesser Goldfinch (*Carduelis psaltria*)  
Both nominate and *hesperophilus* (*Green-backed Goldfinch*)

532. **Hooded Grosbeak** (*Coccothraustes abeillei*) e  
Nice to catch up with this near endemic with 3 at Barranca Brancho Libre on 26/6 and superb views of a pair feeding in the roadside fruiting tree at El Palmito on the same day
533. House Sparrow (*Passer domesticus*)
534. Red-winged Blackbird (*Agelaius phoeniceus*)
535. Eastern Meadowlark (*Sturnella magna*)
536. Western Meadowlark (*Sturnella neglecta*)
537. Melodious Blackbird (*Dives dives*)
538. Great-tailed Grackle (*Quiscalis mexicanus*)
539. Bronzed Cowbird (*Molothrus aeneus*)
540. Brown-headed Cowbird (*Molothrus ater*)
541. Giant Cowbird (*Molothrus oryzivora*)
542. Black-vented Oriole (*Icterus wagleri*) e
543. Bar-winged Oriole (*Icterus maculatus*) e  
A few at El Sumidero 20 and 21/7
544. Black-cowled Oriole (*Icterus prosthelmas*)
545. Orchard Oriole (*Icterus spurius*)
546. **Ochre (*Fuerte's*) Oriole** (*Icterus (spurius) fuertesi*) E  
An on/off split but distinctive. A couple of female plumaged birds at Chameyon 5/7 and two nice males and a female near Alverado 9/7
547. Hooded Oriole (*Icterus cucullatus*)
548. Streak-backed Oriole (*Icterus pustulatus*)  
spp *sclateri*
549. Altamira Oriole (*Icterus gularis*)
550. Audubon's Oriole (*Icterus garuacauda*)  
Including nominate and the endemic *dickeyae* (*Dickey's Oriole*)
551. Scott's Oriole (*Icterus parisorum*)
552. Yellow-billed Cacique (*Amblycercus holosericeus*)
553. Yellow-winged Cacique (*Cacicus melanicterus*) E
554. Chestnut-headed Oropendola (*Psarocolius wagleri*)
555. Montezuma Oropendola (*Psarocolius montezuma*)

## Mammals

1. Black-tailed Jackrabbit (*Lepus californicus*)
2. Eastern Cottontail (*Sylvilagus floridanus*)
3. Abert's Squirrel (*Sciurus aberti*)
4. **Allen's Squirrel** (*Sciurus alleni*) E  
Several from the El Ciedo road on 2/7. Endemic to NE Mexico
5. Arizona Grey Squirrel (*Sciurus arizonensis*)  
A couple at the Edijo el Largo 30/6
6. Mexican Gray Squirrel (*Sciurus aureogaster*) e  
Common in the south and west
7. Deppe's Squirrel (*Sciurus deppei*)  
2 at El Ocote 20/7
8. Mexican Fox Squirrel (*Sciurus nayaritensis*)  
Several at the Barranca Brancho Libre 25 and 26/7

10. Variegated Ground (Rock) Squirrel (*Spermophilus variegatus*)  
2 near el Palmito 26/6
11. **Mexican Prairie Dog** (*Cynomys mexicanus*) **E**  
A couple at the small colony at Tanque de Emergencia 1/7. Endangered due to the same factors as Worthen's Sparrow
12. **Hispid Cotton Rat** (*Sigmodon hispidus*)  
This would seem to be the identity of the fat, grass eating rodents around Yagul 13 and 14/7 Wide ranging from USA to Colombia and Venezuela
13. California Sea-Lion (*Zalophus californianus*)  
A thriving colony at St Esteban Island 27/6
13. Central American Agouti (*Dasyprocta punctata*)
14. Gray Fox (*Urocyon cinereoargenteus*)  
1 on the El Ciedo road 3/7
15. **Eastern Pipistrelle** (*Pipistrellus subflavus*)  
This would seem to be the identity of small bats at the Hotel Casea del Diedra 3/7. Ranges from Canada to Honduras. As ever several other bat species went unidentified
16. Long-beaked Common Dolphin (*Delphinus capensis*)  
A nice pod off St Esteban Island 27/6
17. White-tailed Deer (*Odocoileus virginianus*)
- (18. Northern Tamandua (*Tamandua mexicana*)  
Sadly only freshly dead by the Vallee Nacional road 12/7. A nice lifer but ...)
