Very nice birdwatching including 3 maleos in Tambun

Exceptional mammal watching :
in Tangkoko : 2 groups of black crested macaques, 4-5 spectral tarsiers, 3 bear cuscus
in Nantu (from the blind) : +40 babirussas each day (sometimes more than 10
together), 2 rusa deers, several wild pigs, several Heck's macaques.....and 1 anoa

Black crested macaque
