Malaysia Sites

KIN – Kinabatangan River
DV – Danum Valley Field Centre
RAF -- Rafflesia Center Area
KB – Kinabalu NP
FH – Frasier's Hill
TN – Taman Negara

Indonesia Sites

GK – Gunung Kerinci
WK – Way Kambas
GG – Gunung Gede-Pangrango
MA – Mauro Angke, Jakarta

Short-tailed (Lesser) Gymnure *Hylomys suillus*: KB Feeding in the rubbish bin near the Tymphon Gate

Lesser Treeshrew *Tupaia minor*: RAF

Mountain Treeshrew *Tupaia montana*: KB

Large Flying Fox *Pteropus vampyrus*: many flying over at dusk in Sipilok, Sabah

Fawn Roundleaf Bat *Hipposideros cervinus*: KB Poring Hot Springs bat cave resident

Sundaic Silvered Langur *Trachypithecus cristatus*: KIN, WK A few 'blonde'-phases seen along the Kinabatangan River in addition to the normal grey-phases

Javan (Ebony) Langur *Trachypithecus auratus*: GG. Group seen lower down on main trail

Dusky Langur *Trachypithecus barbei*: FH/Gap area. Group seen feeding roadside

White-thighed Langur *Presbytis siamensis*: FH several times around High Pines Trail

Maroon Langur *Presbytis rubicunda*: KIN, DV

Grizzled (Sunda) Langur *Presbytis comate*: GG

Mitred Langur *Presbytis melalophos*: GK Nearly daily along beginning of trail

Proboscis Monkey *Nasalis larvatus*: KIN daily

Long-tailed Macaque *Macaca fascicularis*: KIN, FH, TN, WK, RAF, MA

Southern Pig-tailed Macaque *Macaca nemestrina*: KIN, DV, FH, WK

Bornean Gibbon *Hylobates muelleri*: KIN, DV

Siamang *Hylobates syndactylus*: FH, WK, GK Seen well at least once at all places but heard more frequently. A pair seen brachiating and calling loudly at close range one morning at GK.

Bornean Orangutan *Pongo pygmaeus*: KIN, DV Five seen in total. First was a massive 25+ year old male at KIN followed by female and young baby the next day. A female sitting on the suspension bridge my last day at DV was a fitting farewell.

Sunda Colugo *Galeopterus variegatus*: TN Female with clinging baby seen on trunk of large tree while nightbirding along the trail to Lubok Simpson

Sunda Slow Loris *Nycticebus coucang*: TN, WK Seen first in trees behind cabins at the resort at TN then several more seen later at WK while nightbirding

Sun Bear *Helarctos malayanus*: WK Great views of one coming out of the forest, pausing at the edge of the main track then crossing it in front of us

Yellow-throated Martin *Martes flavigula*: WK Incredible views as one came bounding down the main track right towards me for 80 meters and didn't stop until it was 5 meters away, looked up and realized I was a human and took off into the forest

Javan Ferret-Badger *Melogale orientalis*: GG One feeding after dark on rubbish near the shelter at the waterfall/summit trail junction

Smooth Otter *Lutrogale perspicillata*: KIN Great views of one calling and standing on riverbank along the tributary closest to Kinabatangan Jungle Camp

Malay Civit *Viverra zibethica*: DV, TN

Common Palm Civit *Paradoxurus hermaphrodites*: KIN, DV, GG, FH

Small-toothed Palm Civit *Arctogalidia trivirgata*: KIN, DV, WK

Banded Civit *Hemigalus derbyanus*: WK Spotted by the ranger during a nightbirding foray and seen close up as it foraged on the forest floor

Binturong *Arctictis binturong*: DV Fantastic views two nights in a row at the fruiting tree behind the dining area on the way to the campsite

Small Asian (Javan) Mongoose *Herpestes javanicus*: GG Seen both in the park and near the golf course

Asian (Bornean Pygmy) Elephant *Elephas maximus*: DV Four seen along the main road into Danum Valley at about the half-way point

Bearded Pig *Sus barbatus*: DV Several seen daily feeding in the main clearing

Eurasian Wild Pig *Sus scrofa*: FH, TN, GG, WK

Lesser Mousedeer *Tragulus javanicus*: DV, WK

Greater Mousedeer *Tragulus napu*: TN Seen several nights while nightbirding

Red Muntjac *Muntiacus muntjak*: WK

Bornean Yellow Muntjac *Muntiacus atherodes*: DV
Sambar Deer *Cervus unicolor*: DV, TN, WK
Cream-colored Giant Squirrel *Ratufa affinis*: DV, FH, TN, GK
Prevost's Squirrel *Callosciurus prevostii*: DV, KIN, WK, KB (Poring)
Kinabalu Squirrel *Callosciurus baluensis*: KB
Plantain Squirrel *Callosciurus notatus*: KIN, TN
Brooke's Squirrel *Sundasciurus brookei*: Sipilok area
Low's Squirrel *Sundasciurus lowii*: TN
Jentink's Squirrel *Sundasciurus jentinki*: RAF
Western Striped Squirrel *Tamiops mccllellandii*: FH
Whitehead's Pygmy-Squirrel *Exilisciurus whiteheadi*: KB
Plain Pygmy-Squirrel *Exilisciurus exilis*: KIN
Bornean Mountain Ground-Squirrel *Dremomys everetti*: RAF
Shrew-faced Ground-Squirrel *Rhinosciurus laticaudatus*: DV
Three-striped Ground-Squirrel *Lariscus insignis*: GG, GK
Sunda Black-banded Squirrel *Callosciurus nigrovittatus*: WK
Bornean Black-banded Squirrel *Callosciurus orestes*: KB
Red Giant Flying Squirrel *Petaurista petaurista*: GG
Red Spiny Rat *Maxomys surifer*: GG
