

2024 Feb/March 38 days 2pax Qinghai & Sichuan Mammals & Birds

Participants: Scott and Alla

Leader/driver: Tang Jun

Dates: 21 Feb to 29 March 2024 total 38 days

Reported by Tang Jun

All Photos by Tang Jun (CANON, Iphone+SW scope) during the trip

*** Before I write this report, I would like to say "thank you again" to Scott and Alla. This tour is supposed to take place in February 2020, but everybody knows COVID-19 happend. I would like to refund the fees be paid in advance but I was told that: please keep it and we will be back in one day. Finally in February 2024 here comes the kind couple and lovers on wildlife. **What we can do, only an unforgettable/fruitful tour can be a perfect ending!!!**

Brief Itinerary:

Day	Date	Itinerary	Hotel
1	21/2	Fly into Chengdu Tianfu at 21:30 on CX916 from US. Met by Tang Jun and drive to the downtown to stay.	Jinjiang Hotel
2	22/2	drive towards to Yushu and staid at Daofu	Daofu Hotel
3	23/2	drive towards to Yushu/stop at Shiqu for mammals, very heavy snow and luckly by a good 4WD TOYOTA,Tibetan gazelle	Xiangride Hotel
4	24/2	Shiqu area for mammals then 2 hrs to Yushu, Glover's pika,Tibetan fox,Red fox,Tibetan gazelle	Qinggan Hotel
5	25/2	Because of the close of the Valley of Cats (VOC) , we went to Yunta Village as the altermative,nice man named Pu Song and lovely family	homestay
6	26/2	Mammal watching at Yunta Village,we got Snow Leopard in the morning and very colde at -19°C.Alpine Musked Deer is not difficult in winter. Tibetan Partridge.	homestay
7	27/2	Because it was very cold and not that many things to see at Yunta, after talked to the organization who helped us to enter the area and family,we are allowed to leave this site couple of nights	Yellow River Hotel

		earlier. We drove to Qumalai and staid at hotel where much warmer.	
8	28/2	We stay at Qumalai one day look for mammals around and got Argali, White lipped deer, Blue sheep	Yellow River Hotel
9	29/2	Drive to Xidatan and just outside the town we saw fours Grey Wolf and rest of the day saw many Kiang/Tibetan wild ass, Tibetan gazelle, Tibetan antelope , Wild yak.	Guesthouse
10	1/3	Original we planned to stay one full day at Wild Yak Valley and back to Xidatan for another night. BUt we did very well inside the valley then we carry on to Gomuld for a very nice 5* hotel, very good breakfast. Mammals we saw in wild yek valley include many many many Wild Yaks and just beside the road, Kiang/Tibetan wild ass, Tibetan gazelle, Argali, Wooly hare	Kai Bang Hotel
11	2/3	After the very good breakfast in the hotel we drive to Xiangride and saw Goitered gazelle from the high way and the Mongolian Ground Jay	Jinxiang Hotel
12	3/3	We staid one night inside the valley but was told to stay outside the valley b y police. Then each daytime we explored different	Ranger Station
13	4/3	valleies of Gouli area to look for mammals and do not spent special time for the Snow Leopard as had a very good view at Yunta already. Scott and Alla really want Eurasian Lynx so we tried hard and finally we saw two times and two different individual at different sites. Others include Pallas's cat,	Jinxiang Hotel
14	5/3	Kiang/Tibetan wild ass, Tibetan gazelle, Wooly hare, Grey Wolf, Tibetan Fox, Blue sheep and lots if Przevalski's Partridges	
15	6/3	As we realized it was difficult to find Brown Bear and we carry on towards to Xining city and stop somewhere for a qucik look of Przewaski Gazelle. When we arrived at Xining but still in the early afternoon thus we decide to drive further towards Sichuan provice. Finally we stopped at a county named Jianzha and find a good hotel but did a lot of paperwork to check in.	Boerman Hotel
16	7/3	We drove into Sichuan and arrive at Ruoergai and had a really	Tang Gu Te
17	8/3	Sichuan hot pot tonight. Do Mammal watching in the daytime and	
18	9/3	also did a night drive in one night. Mammals and birds saw	
19	10/3	include: Pallas's Cat, Chinese Mountain Cat, Tibetan Fox, Grey Wolf, Himalayan marmot, Sika deer, Asian hog badger/greater hog badger, Siberian roe deer, Blue eared Pheasant, Przewaski Finch	
20	11/3	Drive to Pingwu for Sichuan Snub-nosed Monkey	Homestay
21	12/3	Drive to Tangjiahe from Pingwu, we spent one day at the site to	Tangjiahe
22	13/3	scan and wait where possible for Giant Panda in March/April.	Grand Hotel
23	14/3	Other days drove and walked along the roads to look for	
24	15/3	mammals. We saw Rock squirrel, Tibetan macaque, Tufted deer , Takin, Wild boar, Reeve's muntjac, Chinese serow, Chinese goral, Masked palm civet, Eurasian otter, Asian hog badger, Perny's long nosed squirrel. But we failed to find Leopard Cat through tried hard.	
25	16/3	Last try at Tangjiahe and drove to Wolong for birds, we tried	Si You Hotel
26	17/3	Chinese Monal but not succeed and still too cold and snowy. Only	
27	18/3	Golden Pheasant and Tibetan Snowcock and a huge flock of Grandala.	
28	19/3	Drive to Longhua area where has couple of hides for birds and mainly for	Homestay

29	20/3	pheasants, we saw Sichuan Partridge, Chinese Bamboo Partridge, Lady Amherst's Pheasant, Temminck's Tragopan, Silver Pheasant, Buffy & Red-winged Laughingthrush, Emeishan Liocichla	
30	21/3	We drove to a seldom known site in Jiajin Mountain where has possibility for Giant Panda in later March and early April. We tried hard by walked up and down quiet along the trail where the panda was reported. Yes, we heard one but the bamboo is too thick to look into to see it. Scott and Alla are keen to see a Giant Panda in wild but do not want spend one week (maybe for nothing) like other Giant Panda watching tour. There did has a tour with about 6-7 people who were especially looking for Giant Panda. So we decided to move to Labahe where has possibility for Glant Panda too and many other mammals.	Hongjun Hotel
31	22/3		
32	23/3	On the way drive to Labahe, we off the main road and drove into an abandoned road which leded to a very wild valley, here was a site reported Giant Panda also and we spent about 3 hours in this area with nothing. We spent at Labahe 4 nights and saw many good staff in day and night drive. Perny's long nosed squirrel , Pallas's squirrel, Sambar deer, Red and white flying squirrel , Swainhoe's striped squirrel, Red panda, Forest musk deer, Chinese ferret badger, Chinese serow, Chinese goral, Masked palm civet, Takin, Tibetan macaque and Lady Amherst's Pheasant	Blue Crystal Hotel
33	24/3		
34	25/3		
35	26/3		
36	27/3	As we heard other tour who saw one Giant Panda at Jiajin Mountain Forest, then we decided to drive back to Jiajin again, after the arrival and spent rest of the day but not succeed except a Red Panda.	Hong Jun Hotel
37	28/3	We spent another almost all the day at Jiajin to try the Giant Panda again but still no luck. Drove back to Chengdu and stay at good Airport Hotel at Chengdu TFC as very early departure next morning.	Airport Hotel
38	29/3	Chengdu Tianfu on 29 Mar 2024 at 08:15 (AM) on CX917	departure

21 Feb

Fly into Chengdu Tianfu at 21:30 on CX916 from US. Met by Tang Jun and drive to the downtown to stay at good Jinjiang Hotel.

22 Feb

After some shopping at Chengdu, drive towards to Yushu and stayed at Daofu where is about 480km away from Chengdu. Scott had a little bit altitude sick.

23 Feb

Drive towards to Yushu/stop at Shiqu for mammals, very heavy snow on the way and luckily by a good 4WD TOYOTA, we saw our first Tibetan Gazelle(spotted by Alla) of the trip

24 Feb

Shiqu area for mammals then 2 hrs drive to Yushu, Glover's Pika, Tibetan Fox, Red Fox, Tibetan Gazelle

25-26 Feb

Because of the close of the Valley of Cats (VOC), we went to Yunta Village as the alternative, nice man named Pu Song and lovely family. Homestay.

Mammal watching at Yunta Village, we got Snow Leopard in the morning and very cold at -19°C . Alpine Musk Deer is not difficult in winter. Tibetan Partridges everywhere.

2 March

After the very good breakfast in the hotel we drive to Xiangride and saw Goitered Gazelle from the high way and the Mongolian Ground Jay

3-5 March

We stayed one night inside the valley but was told to move outside the valley for security reason by local police. Then each daytime we explored different valleys of Gouli area to look for mammals and do not spend special time for the Snow Leopard as had a very good view at Yunta already. Scott and Alla really want Eurasian Lynx so we tried hard and finally we saw two times and two different individual at different sites. This is the best season for Lynx as the males are calling for mating. Others include Pallas's Cat, Kiang/Tibetan Wild Ass, Tibetan Gazelle, Woolly Hare, Grey Wolf, Tibetan Fox, Blue Sheep and lots of Przevalski's Partridge

16-18 March

Last try at Tangjiahe and drove to Wolong for birds, we tried Chinese Monal but not succeed and still too cold and snowy. Only Golden Pheasant and Tibetan Snowcock and a huge flock of Grandala.

19-20 March

Drive to Longhua area where has couple of hides for birds and mainly for pheasants, we saw Sichuan Partridge, Chinese Bamboo Partridge, Lady Amherst's Pheasant, Temminck's Tragopan, Silver Pheasant, Buffy & Red-winged Laughingthrush, Emeishan Liocichla

21-22 March

We drove to a seldom known site in Jiajin Mountain where has possibility for Giant Panda in later March and early April. We tried hard by walked up and down quiet along the trail where the panda was reported. Yes, we heard one but the bamboo is too thick to look into to see it. Scott and Alla are keen to see a Giant Panda in wild but do not want spend one week (maybe for nothing) like other Giant Panda watching tour. There did has a tour with about 6-7 people who were especially looking for Giant Panda. So we decided to move to Labahe where has possibility for Giant Panda too and many other mammals.

Forest Musk Deer by Scott

23-26 March

On the way drive to Labahe, we off the main road and drove into an abandoned road which led to a very wild valley, here was a site reported Giant Panda also and we spent about 3 hours in this area with nothing.

We spent at Labahe 4 nights and saw many good staff in day and night drive. Perny's Long-nosed Squirrel , Pallas's Squirrel, Sambar Deer, Red and White Flying Squirrel , Swinhoe's Striped Squirrel, Red Panda, Forest Musk Deer, Chinese Ferret Badger, Chinese Small-toothed Ferret Badger, Chinese Serow, Chinese Goral, Masked Palm Civet, Takin, Tibetan Macaque and Lady Amherst's Pheasant

27 March

As we heard other tour who saw one Giant Panda at Jiajin Mountain Forest, then we decided to drive back to Jiajin again, after the arrival and spent rest of the day but not succeed except a Red Panda.

28 March

We spent another almost all the day at Jiajin to try the Giant Panda again but still no luck. Drove back to Chengdu and stay at good Airport Hotel at Chengdu TFC as very early departure next morning.

29 March

Chengdu Tianfu on 29 Mar 2024 at 08:15 (AM) on CX917

Hi Tang Jun,

Just sending some post-trip statistics and the mammals list.

We took 16,267 photos totaling 309GB and 410 video clips totaling 63GB.

Also, Alla found her headlight at the very bottom of my backpack. Yay!

Here's the mammal list. The bird list will take us a while.

Tibetan gazelle
Plateau pika
Tibetan fox
Red fox
Glover's pika
White lipped deer
Blue sheep
Alpine musk deer
Snow leopard
Wooly hair
Argali
Grey Wolf
Kiang/Tibetan wild ass
Tibetan antelope
Wild yak
Goitered gazelle
Red deer
Pallas's cat

Erasian Lynx
 Przewaski's gazelle
 Himalayan marmot
 Sika deer
 Chinese mountain cat
 Asian hog badger/greater hog badger
 Siberian roe deer
 Rock squirrel
 Golden snub nosed monkey
 Tibetan macaque
 Tufted deer
 Takin
 Wild boar
 Reeve's muntjac
 Chinese serow
 Chinese goral
 Masked palm civet
 Eurasian otter
 Moupin pika
 Perny's long nosed squirrel
 Pallas's squirrel
 Sambar deer
 Red and white flying squirrel
 Swainhoe's striped squirrel
 Red panda
 Forest musk deer
 Chinese ferret badger/small-toothed ferret badger
 Total 45
 New 39
 Thanks so much for a great trip!
 Scott and Alla

Hi Tang Jun,

Here is our bird list from the trip. We saw 154 birds. 73 species were new for us. Let me know if you would like this in any other format.

Scott and Alla

English Name	Scientific Name
Bar-headed Goose	<i>Anser indicus</i>
Common Merganser	<i>Mergus merganser</i>
Green-winged Teal	<i>Anas carolinensis</i>
Greylag Goose	<i>Anser anser</i>
Mallard	<i>Anas platyrhynchos</i>

China Bird Tour
Since 1999

China Mammal Tour
Since 2014

Northern Pintail	<i>Anas acuta</i>
Northern Shoveler	<i>Anas clypeata</i>
Ruddy Shelduck	<i>Tadorna ferruginea</i>
Blood Pheasant	<i>Ithaginis cruentus</i>
Blue Eared Pheasant	<i>Crossoptilon auritum</i>
Chinese Bamboo Partridge	<i>Bambusicola thoracicus</i>
Golden Pheasant	<i>Chrysolophus pictus</i>
Lady Amherst's Pheasant	<i>Chrysolophus amherstiae</i>
Przevalski's Partridge	<i>Alectoris magna</i>
Ring-necked Pheasant	<i>Phasianus colchicus</i>
Sichuan Partridge	<i>Arborophila rufipectus</i>
Silver Pheasant	<i>Lophura nycthemera</i>
Temminck's Tragopan	<i>Tragopan temminckii</i>
Tibetan Partridge	<i>Perdix hodgsoniae</i>
Tibetan Snowcock	<i>Tetraogallus tibetanus</i>
Hill Pigeon	<i>Columba rupestris</i>
Oriental Turtle Dove	<i>Streptopelia orientalis</i>
House Swift	<i>Apus nipalensis</i>
Black-necked Crane	<i>Grus nigricollis</i>
Brown-headed Gull	<i>Larus brunnicephalus</i>
Cattle Egret	<i>Bubulcus ibis</i>
Great Cormorant	<i>Phalacrocorax carbo</i>
Asian Imperial Eagle	<i>Aquila heliaca</i>
Bearded Vulture	<i>Gypaetus barbatus</i>
Black Kite	<i>Milvus migrans</i>
Cinereous Vulture	<i>Aegypius monachus</i>
Golden Eagle	<i>Aquila chrysaetos</i>

China Bird Tour
Since 1999

China Mammal Tour
Since 2014

Himalayan Buzzard	<i>Buteo refectus</i>
Himalayan Griffon Vulture	<i>Gyps fulvus</i>
Pied Harrier	<i>Circus melanoleucos</i>
Steppe Eagle	<i>Aquila nipalensis</i>
Upland Buzzard	<i>Buteo hemilasius</i>
White-tailed Eagle	<i>Haliaeetus albicilla</i>
Eurasian Eagle-Owl	<i>Bubo bubo</i>
Japanese Scops-Owl	<i>Otus semitorques</i>
Little Owl	<i>Athene noctua</i>
Tawny Fish Owl	<i>Ketupa flavipes</i>
Eurasian Hoopoe	<i>Upupa epops</i>
Crested Kingfisher	<i>Megaceryle lugubris</i>
Crimson-breasted Woodpecker	<i>Dendrocopos cathpharius</i>
Great Spotted Woodpecker	<i>Dendrocopos major</i>
Grey-capped Pygmy Woodpecker	<i>Dendrocopos canicapillus</i>
Rufous-bellied Woodpecker	<i>Dendrocopos hyperythrus</i>
Common Kestrel	<i>Falco tinnunculus</i>
Peregrine Falcon	<i>Falco peregrinus</i>
Saker Falcon	<i>Falco cherrug</i>
Ashy-throated Parrotbill	<i>Paradoxornis alphonsianus</i>
Black-chinned Yuhina	<i>Yuhina nigrimenta</i>
Black-faced Laughingthrush	<i>Garrulax affinis</i>
Buffy Laughingthrush	<i>Garrulax poecilorhynchus</i>
Chinese Babax	<i>Babax lanceolatus</i>
Chinese Fulvetta	<i>Fulvetta striaticollis</i>
David's Fulvetta	<i>Alcippe davidi</i>
Elliot's Laughingthrush	<i>Garrulax elliotii</i>

China Bird Tour
Since 1999

China Mammal Tour
Since 2014

Fulvous Parrotbill	<i>Suthora fulvifrons</i>
Golden-breasted Fulvetta	<i>Lioparus chrysotis</i>
Great Parrotbill	<i>Conostoma oemodium</i>
Grey-hooded fulvetta	<i>Fulvetta cinereiceps</i>
Indochinese Yuhina	<i>Staphida torqueola</i>
Rufous-capped Babbler	<i>Stachyris ruficeps</i>
Snowy-cheeked Laughingthrush	<i>Garrulax sukatschewi</i>
Spotted Laughingthrush	<i>Garrulax ocellatus</i>
Streak-breasted Scimitar Babbler	<i>Pomatorhinus ruficollis</i>
White-browed Fulvetta	<i>Fulvetta vinipectus</i>
White-browed Laughingthrush	<i>Garrulax sannio</i>
White-cheeked Laughingthrush	<i>Garrulax vassali</i>
White-collared Yuhina	<i>Yuhina diademata</i>
Chinese Blackbird	<i>Turdus mandarinus</i>
Kessler's Thrush	<i>Turdus kessleri</i>
Blue-fronted Redstart	<i>Phoenicurus frontalis</i>
Daurian Redstart	<i>Phoenicurus auroreus</i>
Grandala	<i>Grandala coelicolor</i>
Grey Bush Chat	<i>Saxicola ferreus</i>
Little Forktail	<i>Enicurus scouleri</i>
Rufous-gorgeted Flycatcher	<i>Ficedula strophciata</i>
White-browed Bush Robin	<i>Tarsiger indicus</i>
White-crowned Forktail	<i>Enicurus leschenaulti</i>
White-winged Redstart	<i>Phoenicurus erythrogastrus</i>
Giant Shrike	<i>Lanius giganteus</i>
Azure-winged Magpie	<i>Cyanopica cyanus</i>
Carrion Crow	<i>Corvus corone</i>

China Bird Tour
Since 1999

China Mammal Tour
Since 2014

Common Raven	<i>Corvus corax</i>
Daurian Jackdaw	<i>Corvus dauuricus</i>
Eurasian Magpie	<i>Pica pica</i>
Eurasian Nutcracker	<i>Nucifraga caryocatactes</i>
Henderson's Ground Jay	<i>Podoces hendersoni</i>
Red-billed Blue Magpie	<i>Urocissa erythrorhyncha</i>
Red-billed Chough	<i>Pyrrhocorax pyrrhocorax</i>
Coal Tit	<i>Periparus ater</i>
Green-backed Tit	<i>Parus monticolus</i>
Grey Crested Tit	<i>Lophophanes dichrous</i>
Ground Tit	<i>Pseudopodoces humilis</i>
Japanese Tit	<i>Parus minor</i>
Sichuan Tit	<i>Poecile weigoldicus</i>
White-browed Tit	<i>Poecile superciliosa</i>
Yellow-browed Tit	<i>Sylviparus modestus</i>
Asian House Martin	<i>Delichon dasypus</i>
Black-browed Bushtit	<i>Aegithalos bonvaloti</i>
Black-throated Tit	<i>Aegithalos concinnus</i>
Crested Tit-warbler	<i>Leptopoecile elegans</i>
Sooty Tit	<i>Aegithalos fuliginosus</i>
White-browed Tit-warbler	<i>Leptopoecile sophiae</i>
Horned Lark	<i>Eremophila alpestris</i>
Oriental Skylark	<i>Alauda gulgula</i>
Black Bulbul	<i>Hypsipetes leucocephalus</i>
Brown-breasted Bulbul	<i>Pycnonotus xanthorrhous</i>
Collared Finchbill	<i>Spizixos semitorques</i>
Light-vented Bulbul	<i>Pycnonotus sinensis</i>

China Bird Tour
Since 1999

China Mammal Tour
Since 2014

Mountain Bulbul	<i>Ixos mccllellandii</i>
Ashy-throated Warbler	<i>Phylloscopus maculipennis</i>
Brown-flanked Bush Warbler	<i>Horornis fortipes</i>
Rufous-faced Warbler	<i>Abroscopus albogularis</i>
Sichuan Leaf Warbler	<i>Phylloscopus forresti</i>
Yellow-bellied Bush Warbler	<i>Cettia acanthizoides</i>
Goldcrest	<i>Regulus regulus</i>
Chestnut-vented Nuthatch	<i>Sitta nagaensis</i>
Eurasian Nuthatch	<i>Sitta europaea</i>
Przevalski's Nuthatch	<i>Sitta przewalskii</i>
Hodgson's Treecreeper	<i>Certhia hodgsoni</i>
Sichuan Treecreeper	<i>Certhia tianquanensis</i>
Brown Dipper	<i>Cinclus pallasii</i>
Fire-breasted Flowerpecker	<i>Dicaeum ignipectus</i>
Black-winged Snowfinch	<i>Montifringilla adamsi</i>
Blanford's Snowfinch	<i>Pyrgilauda blanfordi</i>
Eurasian Tree Sparrow	<i>Passer montanus</i>
Rock Sparrow	<i>Petronia petronia</i>
Rufous-necked Snowfinch	<i>Pyrgilauda ruficollis</i>
Tibetan Snowfinch	<i>Montifringilla henrici</i>
White-rumped Snowfinch	<i>Onychostruthus taczanowskii</i>
Brown Accentor	<i>Prunella fulvescens</i>
Robin Accentor	<i>Prunella rubeculoides</i>
Grey Wagtail	<i>Motacilla cinerea</i>
Olive-backed Pipit	<i>Anthus hodgsoni</i>
Richard's Pipit	<i>Anthus richardi</i>
White Wagtail	<i>Motacilla alba</i>

Collared Grosbeak	<i>Mycerobas affinis</i>
Eurasian Siskin	<i>Spinus spinus</i>
European Greenfinch	<i>Chloris chloris</i>
Grey-headed Bullfinch	<i>Pyrrhula erythaca</i>
Pink-rumped Rosefinch	<i>Carpodacus waltoni</i>
Plain Mountain Finch	<i>Leucosticte nemoricola</i>
Red Crossbill	<i>Loxia curvirostra</i>
Streaked Rosefinch	<i>Carpodacus rubicilloides</i>
Tibetan Serin	<i>Spinus thibetanus</i>
Twite	<i>Carduelis flavirostris</i>
Yellow-billed Grosbeak	<i>Eophona migratoria</i>
Godlewski's Bunting	<i>Emberiza godlewskii</i>
Slaty Bunting	<i>Latoucheornis siemsseni</i>
Yellow-throated Bunting	<i>Emberiza elegans</i>
